STUDENT EXPECTATIONS AND POLICIES

Although these expectations and policies are extensive, they should not be regarded as all-inclusive. The following rules and expectations are meant for your safety and well-being. They will be strictly enforced. Students who have been found to have violated these rules will be dismissed from the Summer Academy. Students who have been dismissed due to violation of the rules must leave campus by 4:30 p.m. the day after dismissal. No money will be refunded to students who have been dismissed.

Alcohol and Drugs

Alcohol and illegal drugs are prohibited at all times at the Summer Academy. There are no exceptions to this rule. The category of illegal drugs includes drugs that are simply illegal as well as drugs for which the student does not have a prescription. Students suspected of being intoxicated or under the influence of any illicit substance will be dismissed from the program immediately. Students who smell of alcohol or are found in the presence of alcohol or illegal drugs will be dismissed immediately.

Community Living

St. John's is a community of learning. Students of the Summer Academy are expected to conform to the standards of living that make communal life and work possible. Foremost among these standards is respect for the person and property of others. In a community that brings people from diverse backgrounds together, maintaining this respect may require a deliberate effort from all of its members; such an effort is essential to the intellectual enterprise in which we are engaged. A student who behaves, either in or out of class, in a way that is destructive to the intellectual community may be dismissed from the program. Students who are, in our judgment, a threat to themselves or others will be withdrawn from the Summer Academy.

Students should wear dress appropriate to a place of study; shoes must be worn.

Any sharing of medication or taking medication that is not prescribed to you is strictly prohibited.
