This table lists the number of participants by gender for each varsity team. According to the published federal regulations governing EADA Reporting, a participant is defined as a student-athlete who, as of the day of a varsity team's first scheduled contest:

- a) Is listed by the institution on the varsity team's roster, or
- b) Receives athletically related student-aid, or
- c) Practices with the varsity team and receives coaching from one or more varsity coaches.
