THE MITCHELL GALLERY

St. John's College

Dear Mitchell Gallery Members, Friends and Alumni of St. John's:

It is said that “God created the Heavens and the Earth, but the Dutch created Holland.” Indeed, not only did they wrest a portion of their land from the sea, but they built upon it an enchanted realm carpeted by vibrant flowers and laced with storied waterways.

We are delighted to announce that Mitchell Gallery Art Educator Lucinda Edinberg will travel as host of this special Dutch Waterways cruise. Join us on this exclusively chartered river cruise aboard the deluxe AMADEUS SILVER II, one of the finest ships to ply the waterways of Europe and traverse the canals of this delightful polder land. Celebrate the beauty of Holland and old-world Flanders in blissful springtime—the ideal season for this comprehensive itinerary, when the tulip fields are in full bloom.

Discover the true essence of river life in the Low Countries. Our expert-guided tours explore two UNESCO World Heritage sites—Amsterdam's 16th- and 17th-century house-lined canals and the medieval Flemish jewel of Bruges. Experience this sublime region's pastoral idyll and fascinating history with visits to “Golden Age” Hoorn, the world-famous Keukenhof Gardens, the old Hanseatic city of Kampen, rarely visited ancient Maastricht, the mercantile town of Antwerp and medieval Ghent, home to the Van Eyck brothers' *Adoration of the Mystic Lamb*—the world's most coveted masterpiece. Walk through the poignant World War II American Military Cemetery in Margraten and discover the artistic legacy of the world-class Kröller-Müller Museum. Learn more about the rich history of the Flemish speaking county of Flanders and the modern life and cultural heritage of the Netherlands during an exclusive RIVER LIFE® FORUM with local residents.

Delight in specially arranged CULTURAL ENRICHMENTS, a privately chartered small boat canal cruise and an exclusive musical concert. Enjoy an included, guided excursion in every port, deluxe accommodations and all meals. RIVER LIFE® along the Dutch Waterways is a perennial favorite; reserve now while Early Booking Savings and space are still available.

Our program is during the height of Holland's spectacular spring, when more than seven million flowers are expected to blossom across this 79-acre wooded park in a dazzling display of color.

Keukenhof (kitchen garden) was inspired by the early 15th-century Countess Jacoba of Bavaria, who resided in a nearby castle and tended an herb and vegetable garden on this site. Today, Keukenhof Gardens is an international showcase for the Dutch floriculture industry. Exhibitors feature more than 1000 varieties of their tulips, along with daffodils, hyacinths, orchids, roses, carnations, irises and lilies, while new variants of tulips are cultivated every year.
