

2022-2023
Independent Student
Verification Worksheet

What Is Verification?

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, the government may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit them to the Financial Aid Office.

Please provide the required information as quickly as possible because your aid cannot be finalized until verification has been completed. If you have any questions, please contact us at 410-626-2502 or annapolis.financialaid@sjc.edu for the Annapolis Campus or 505-984-6058 or santafe.financialaid@sjc.edu.

What Are the Steps?

1. **If requested**, please include any other requested tax documents such as W-2 forms or tax transcripts. Please note that a tax return (often the 1040) is not a tax transcript. Tax transcripts may be requested here: <https://www.irs.gov/individuals/get-transcript>
2. Please write your name on tax return transcript.
3. Complete and sign this worksheet.
4. Review all information sent from the Financial Aid Office and the second page of this worksheet to see if you need to submit other documentation.

2022-2023 Independent Student Verification Instructions

For about half of our students, the U.S Department of Education requires schools to verify the data reported on the Free Application for Federal Student Aid (FAFSA). Your file has been selected for verification; please follow the steps as outlined below.

1. You must complete the 2022-2023 Independent Verification Worksheet. **Remember to answer every question on the form; in addition the form must be SIGNED by the student.**
2. Both you and your spouse, if married, must provide official 2020 federal tax information. **If you and/or your spouse are not required to file a federal tax return per the IRS regulations, you will need to indicate this in Sections C on the 2022-2023 Independent Verification Worksheet and submit W-2 and 1099-Misc. forms for 2020.**
3. **Additionally, nontax filers are required to provide an IRS Verification of Non-Filing Letter dated on or after October 1, 2020.** The letter can be obtained by visiting www.irs.gov and typing in "Form 4506-T" in the search box. Once you have reached the form, fill out lines 1a through 5, check the box on line 7, type 12/31/2020 on line 9, then print and sign.
4. If you and/or your spouse are required to file a federal tax return, **you have two options (A and B listed below) in which to submit income information. Please make sure to indicate in Section C on the 2022-2023 Independent Verification Worksheet which option you will use.**

A. IRS Data Retrieval Tool

Most FAFSA filers have the option of securely transferring their 2020 income data directly from the Internal Revenue Service (IRS) database to their online 2022-2023 FAFSA. This option is available to individuals whose 2020 federal tax return has already been processed by the IRS. If you did not take advantage of this data transfer at the time you originally completed your FAFSA, you can still do so by going to www.fafsa.gov and updating your tax information reported on the FAFSA. You would need to select "Make FAFSA Corrections" and follow appropriate steps. Applicants will need to authenticate their identity before any personal information is displayed. Once authenticated, you will be prompted to "transfer" the tax information to the FAFSA. **(HIGHLY RECOMMENDED FORM OF SUBMISSION FOR FASTER PROCESSING).**

You **should not** use the IRS Data Retrieval Process if any of the following situations apply:

- You used an 888 identifier in place of a Social Security Number on the FAFSA;
- Your marital status date listed on the FAFSA is later than January 1, 2020;
- You have not yet filed or will not file a 2020 federal tax return;
- You have a tax filing status of "married filing separately" for 2020;
- **For those with unusual tax filing circumstances, please see the reverse side of this document for instructions or call 410.626.2502 (Annapolis) or 505.984.6058 (Santa Fe) for instructions regarding your specific situation**

B. IRS Tax Return Transcript

If you are required to file a 2020 federal tax return and did not use the IRS Data Retrieval Process, you must request a 2020 Tax Return Transcript from the IRS and upon receipt submit a copy to the Financial Aid Office. For students who had a filing status of "married filing separately, IRS Tax Return Transcripts must be submitted for both the student and their spouse.

PLEASE NOTE: IT MAY TAKE UP TO TWO WEEKS FOR THE IRS TO PROCESS YOUR REQUEST.

There are three methods to request a Tax Return Transcript:

1. Online via the IRS website at <https://www.irs.gov/individuals/get-transcript>
2. By calling **1-800-908-9946**; or
3. Complete and submit FORM 4506-T to the IRS.

→**Please write the student's name on the transcript.**

5. **Please submit in a timely fashion all documents at the same time to the address below. Until all documents are received, the file cannot be reviewed.**

Financial Aid Office
St. John's College
Fax 410-269-7916

Secure forms upload page:
<https://www.sjc.edu/finaid/forms>

Santa Fe Campus

Fax 505-984-6164

6. **Please review the instructions to make sure you have completed and submitted all the required documents.** Failure to submit all the documents as per the instructions will delay processing your file.
7. **You must submit required documents before classes begin.** If you do not, your financial aid may be reduced or canceled and you will need to pay your account balance out of pocket.
8. **If verification results in changes to your award, we will email you an award notification to your St John's email address.**

Verification of 2020 Income Information for Individuals with Unusual Circumstances

Individuals Who Filed an Amended IRS Income Tax Return

If an individual filed an amended IRS income tax return for tax year 2020, provide both of the following:

- A signed copy of the 2020 IRS Form 1040X, “Amended U.S. Individual Income Tax Return,” that was filed with the IRS.

Individuals Who Were Victims of IRS Identity Theft

- A victim of IRS identity theft who is not able to obtain a **2020 IRS Tax Return Transcript** or use the IRS DRT must contact the IRS at 1-800-908-4490. Upon authentication of the tax filer’s identity, the IRS will provide, by U.S. Postal Service, a printout of the tax filer’s 2020 IRS income tax return information.
