

ST JOHN'S College

CERTIFICATION OF ENROLLMENT OF OTHER SIBLINGS ATTENDING COLLEGE DURING THE ACADEMIC YEAR

You indicated on your financial aid application that more than one child in your family will be attending college. The number of children in college is an important factor in the calculation of financial need, so we require verification of enrollment of siblings. We will use the National Student Clearinghouse database to verify sibling enrollment. Approximately 80% of colleges and universities participate in the National Student Clearinghouse.

If your sibling's enrollment plans change, it is important that you let the Financial Aid Office know promptly. This may change your financial aid award.
