Alumni Association Activities and Events

We will use this space to provide updates concerning the Alumni Association, including its Board of Directors, and working groups and committees.

The **Alumni Awards Reception Committee**, which is a subgroup of the **Awards Committee**, is excited to announce that the annual Alumni Awards Reception will be held in Santa Fe for the first time. This year it will be held at the Scottish Rite Temple on March 1 from 10:00 am to 12:30 pm, as part of SF President J. Walter Sterling's Inauguration Weekend. The event will be free to all in the SJC community (alumni, students, faculty, staff, and friends), with a suggested donation of \$45 for the college. [Click here](#) for more information. Please plan on joining us at this and other Inauguration Weekend events!

The **Alumni Giving Council** supports the College's major fundraising initiatives by encouraging alumni giving. It is very heartwarming to see alumni support the College in any way that is meaningful to them. We had a lot of fundraising success in 2025, and hope to do even better in 2026.

The **Career Services Working Group** works in partnership with the College's Office of Personal and Professional Development on both campuses to provide the support and resources students need as they explore different career pathways. In 2026, this working group will focus on connecting students with alumni through in-person networking events in both Santa Fe and Annapolis in the Spring of 2026. We will also be hosting a webinar with tips on networking and how students can leverage social media platforms like LinkedIn to build their network and connect with professionals in different industries. We will be sharing more details about upcoming events in the new year. If anyone is interested in participating in these events, please get in touch with Joseph Larson (JDLarson@wlrk.com) and Nani Detti (nanidetti@gmail.com).

The **Chapters Working Group** hosts virtual quarterly check-ins for chapter leaders. We meet on the last Tuesday of January, April, July, and October. During these one-hour check-ins, the Working Group offers support in three areas: Updates from the College, updates from the Alumni Association, and the opportunity for chapter leaders across the country (and increasingly the world) to connect and share best practices and tips with each other. Following the virtual check-in scheduled for January 27, 2026, at 8:00 PM ET/6:00 PM MT, our next virtual check-in will be on Tuesday, April 28, 2026.

The **Communications Working Group** is dedicated to informing alumni about alumni news and activities, and to receiving alumni feedback on Association initiatives. The Communications WG manages the Association's social media posts and preparation of this newsletter. We also monitor the Association's e-mail inbox, so if you have any news to share with us, or questions about the Association, please drop us a line at sjcaa@sjc.edu.

John reports the good fortune to be in touch with a great group of vintage SJC people with whom we do the occasional online seminar -- most recently on the scintillating & timely novel "Frankenstein" by Mary Shelley. John reflects that "work is personal. It's crucial for keeping head and heart in order. I teach; love it when it works well. Why retire? Or as the great Satchel Page once said: 'I ain't ever had a job, I just always played baseball.' Family is fine. Health is fine. It all takes work, attention to detail, a dollop of good fortune, and constantly keeping Ithaca in sight."

Michael shares with his alums that "My daughter and son-in-law are schoolteachers and have dropped out of their awful jobs to home school their daughters. She says "I miss SJC, deep learning, coffeeshop parties, waltz parties, and my freshman-year friends. Some of us are still in touch. How fun it was to walk to the docks together, peeking at the storefront goods like used books, window-crystals, and sweatshirts with sailboats on them, and then to leisurely eat baguettes from the French bakery! I now create fine art, and I write fiction, nonfiction and poetry. I am finishing a memoir about being a longhaul trucker from 1990-2000. And I bought an 18-foot sailboat. Wish me luck as I restore it. So much to learn." Joyce can be e-mailed at joyce_e_turner@hotmail.com.

We bought a 100 year-old "cure cottage" (part of the TB history of the region) and lovingly restored it. Then I opened a boutique called "Bloom", which offers colorful and fresh-styled clothing for women in the North Country. So, for the past two years, I have assisted women to be warm and beautiful in one of the coldest places in the continental US. Leo--now retired a couple of years after having served the SJC community for over 30 years--is an avid and competitive pickleball player, a devoted local volunteer, as well as an excellent house-husband: cooking most of our dinners and having evening fires lit in the wood stove during long winter evenings." Valerie adds "we are happy," and she can be e-mailed at info@bloomadk.com.

1992

A. Elizabeth Parton (BA, A) has retired and is living in Ireland. She writes "Upon my youngest child's high school graduation this spring and subsequent acceptance into University College Cork, I decided to embark on a life change and move to Ireland myself. I can't deny the current political scene did not provide additional motivation. Moving overseas with dogs, including one very sensitive Great Dane, is not for the faint of heart. I can now be found at the southwest tip, among the fishing boats, with cows and sheep as my most visible neighbors. I am taking up the Irish language and trad violin lessons with enthusiasm. If any Johnnies find themselves near Skibbereen please do let me know!" Elizabeth can be e-mailed at Elizparton@yahoo.com.
